A Top Seller at Events!

Best performance for cold weather activities...Moisture management... Keep cool when humid, warm when cold... Extremely light weight... High perceived value at a low cost!

“Feel” the difference with Leslie Jordan Apparel

The experts at LJI will customize your order by being resourceful in finding unique fabrics, styles and those “nontraditional” colors not found in most catalogues. Coupled with quality service and meeting your performance needs they will make it all ‘feel’ good within your budget!

Weather your interest is with Tyvek, Microfleece, Microfiber or Technical T’s, the first step to your marketing solutions is to call our team of apparel consultants and let them go to work for you!
