Experience a Tyvek® Jacket, Vest, or Rain Poncho and learn why our customers have requested Tyvek® over and over for the past 20 years.

Eye-catching graphics on Tyvek® will far surpass any other traditional materials, giving your event or corporation the visibility it deserves.

This very functional lightweight 5.6oz windbreaker will keep you warm and dry without weight or bulkiness, perfect for any activity. Try our quick stow-a-way options, stuff your jacket into it's pocket or fanny pack when you are warmed up. When travelling, tuck it into your tote bag for those chilly plane trips, boat rides and evening walks.

Ordering is Easy- Just contact a Leslie Jordan Sales associate, and let our graphics department create a special custom signature Tyvek® jacket for you. Best of all, our professional design service is complementary.

We look forward to working together!
